

## Winter and summer sunlight

---

Fill in the blanks.

 Winter	Summer 
Short days Long nights	Long days Short nights

sunlight                      longer                      shorter  
   warmer                      colder

The sun gives us light and heat.

In the summer, there is more sunlight.

The days are \_\_\_\_\_ and it is \_\_\_\_\_.

In the winter, there is less \_\_\_\_\_.

The days are \_\_\_\_\_ and it is \_\_\_\_\_.
